The proposal was well received by the Ontario Ministry of Natural Resources with partner funding provided through the Community Fisheries and Wildlife Involvement Program (CFWIP). We thank the dedicated staff from several offices of the OMNR who provided financial assistance, guidance, editorial review and moral support:

Andrew Houser
Henk Reitveld
Laurel Whistance-Smith
Robin Craig
Tracy Smith

Judi Orendorff
Cam Willox
Rob Messervey
Jean Blondin
Hal Ward

Ian Buchanan
Kathy Dodge
Andy McKee

Federal involvement in this partnership project was provided through Environment Canada. John Shaw and Brian McHattie, from the Great Lakes Sustainability Fund, provided financial support as well as opportunities to profile the project through newsletters and conferences. Leslie Dunn, a wetlands biologist from the Canadian Wildlife Service, provided an excellent editorial review of the manual in its early stages. We appreciate their contributions.

We would like to express gratitude to the following companies for their financial support of this manual:

Great Lakes Aquatic Habitat Fund
Ontario Federation of Anglers and Hunters
Izaak Walton Fly Fishers Club
Toronto and Region Conservation Authority

Schollen and Company Limited
Aquafor Beech Limited
Enbridge Consumers Gas
Grand River Foundation

Finally, the authors wish to thank Krista Ingleson and Toby Cadham of the Peel Board of Education for editing and Bob Morris of Credit Valley Conservation for technical review and photographs.
